THE CITY OF DRYDEN DOG TAG LICENSING FOR THE 2012 YEAR.

It is again time to renew your dog license for the fiscal year January 1, 2012 to December 31, 2012.

Enclosed is your application to purchase the dog tag, or mail in the application along with the payment and we will mail out your dog tag. If your dog is neutered or micro chipped and neutered, you will pay less for your tag. A certificate(s) must be presented with the application in order to get the reduced rate. Proof of neutering can be obtained through your veterinarian.

If you require additional copies of the application form they can be obtained at City Hall or on-line at [www.dryden.ca](http://www.dryden.ca) and following the Quick Link. The new Animal By-law can also be viewed through this link or a hard copy is available from City Hall.

The fine for failing to register your dog or allowing it to run at large is \$60.00. In addition, residents are reminded that in order to own more than two dogs, they must be living on a rural lot that is a minimum of one hectare (2.471 acres) in size.

We thank you for taking the time to register your pet, as well as your patience as we undertake this process and update our records.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'R. Davis', is written over a horizontal line.

Robert Davis,  
Chief of Police.
