

Dryden Development Corporation Board Vacancies

In support of the City of Dryden's strategic direction, City Council created a community-based Economic Development Agency known as the Dryden Development Corporation (DDC) on January 1, 2008.

To fill projected vacancies, we are seeking applications from qualified individuals who are committed to creating employment opportunities through new investment in Dryden. We need people with vision, knowledge and leadership to direct the DDC.

After the 2010 Municipal Election to be held October 25, 2010, the new City Council will be appointing individuals to serve with Council representation on the DDC. These individuals will fulfill the fiduciary, oversight, strategic and governance tasks of the Board of Directors.

Terms of appointment range from one (1) to three (3) years.

Candidates with business experience, community networks and time, energy and passion for the City are encouraged to apply.

Complete eligibility requirements and a position description for these volunteer positions are available from City Hall at 30 Van Horne Avenue or on the City's website at:

http://www.dryden.ca/city_hall/city_council/boards_committees/

Apply in confidence with a letter and statement of qualification by July 30, 2010 to:

Arie Hoogenboom, City Manager
30 Van Horne Avenue
Dryden, ON P8N 2A7
or via email to
ahoogenboom@dryden.ca
