1. Per Household versus Per Property Policing Costs

Discussion on terminology took place in an attempt to provide clarification to those in attendance which they will be able to pass along once the OPP proposal and MNP report are public.

2. Draft Report Feedback

The draft MNP report was discussed and much feedback provided regarding the Executive Summary. It was suggested the Summary should be expanded somewhat even if it becomes more than one page; it will be a key part of the MNP report. Roger advised he has received no indication from the OPP about when they will have their proposal to the City.

The meeting adjourned at 9:55 a.m.
