

## **Mobile Food Premises**

Thank you for your interest in setting up what we call a "Mobile Food Premises", or in layman's terms, a food/refreshment truck or cart. Please read the following before considering setting up on public or private property.

**All "Mobile Food Premises" businesses must obtain a business licence and adhere to the following:**

- Obtain a fire inspection from Dryden Fire Services and a health inspection from NWHU
- Display your business licence in a spot that is visible from where your customers will be placing orders.
- Follow all City of Dryden By-laws, which are the responsibility of the business to research and know.
- Renew your business licence annually.

### **Operators on Public Property**

- Hold valid commercial liability insurance.
- Operate at least 5 meters away from any other business.

**The following approved locations are available on a First-come/First-served basis:**

1. Van Horne Landing (Government Docks)
2. Rotary Park (Soccer Fields)
3. Sandy Beach Baseball Complex

### **Operators on Private Property**

- Obtain and keep a copy of written permission to be on the private property (if you are not the property owner).
- Operate only on private properties that are commercially zoned, unless a special events permit has been obtained from the City.

Business licence applications and applicable fees can be submitted on the City of Dryden's website. Any questions can be directed to the City of Dryden Building and Planning Department.

If you wish to review By-law # 2023-25 (Business Licencing) or any other additional information regarding business in Dryden, a copy of the by-law can be found at [www.dryden.ca/bylaws](http://www.dryden.ca/bylaws) or by clicking [here](#).

City of Dryden  
Building & Planning Department  
30 Van Horne Avenue  
Dryden, ON | P8N 2A7

**Please be sure to include the following information with your business licence application:**

1. Type of Mobile Food Premises: Large Footprint or Small Footprint  
(Example: **Large Footprint** are those operating within a trailer, truck, or similar structure.  
**Small Footprint** are those operating a cart, barbeque with a table, etc.)
2. Will you be using commercial grade appliances that burn a compressed gas?
3. Are you going to be supplying sufficient waste containers to ensure cleanliness of the site?
4. Is your premises equipped with a fire suppression system or fire extinguisher?
5. Will you be cooking with grease or producing any smoke? If so, do you have an effective exhaust system?
6. Do you have the ability to supply your own electricity?
7. Where are you planning to operate? Please be specific when indicating private properties by including the address of the property.

**Fees for Annual Mobile Food Premises Business Licence Applications**

Small Footprint Mobile Food Premises - \$125.00

Large Footprint Mobile Food Premises - \$250.00
