Roger advised the purpose of the meeting was to have MNP provide a verbal update around the interviews with stakeholders and other municipalities they had undertaken and to allow for discussion. He advised the summarized content would appear in MNP's final report.

MNP advised they are working with DPS to verify their calls for service data, and that the final assessment from DPS is expected to be in their hands by the end of the week.

After receiving the O.P.P. costing, the next steps would be for the consultants to finish their report, schedule public consultation and then for Council to make a decision to accept or reject the proposal.

The meeting adjourned at 2:07 p.m.
