RE: DISSOLUTION OF THE DRYDEN NUCLEAR EDUCATION AND ENGAGEMENT COMMITTEE

Please be advised that at the October 11, 2022, Meeting of Council, a resolution was passed to dissolve the Dryden Nuclear Education and Engagement Committee (DNEEC) effective immediately. All subsequent meetings have been cancelled.

The DNEEC web page (www.dryden.ca/dneec) will remain in force as a hub for educational information as well as an archive of the Committee's past work.

The City of Dryden would like to thank all members, both past and present, of the DNEEC for their hard work in providing our Council, staff, and residents with many opportunities to further their knowledge on the nuclear industry and the potential deep geological repository project.
