# CIVIL MARRIAGE SERVICE GUIDELINES & FEES

- Qualified marriage commissioners and staff have been designated and trained to conduct civil marriages for the City of Dryden. The service is a non-denominational and dignified ceremony, which adheres to the requirements of the Marriage Act for the Province of Ontario.
- Please note:** *A marriage commissioner is not a wedding planner; it is your responsibility to arrange the details of the ceremony such as music, microphones, order and structure of groomsmen and bridesmaids' procession, etc.*
- Civil marriages will be conducted in English only and can take place at any location within the City of Dryden municipal boundaries and the surrounding area. The commissioner can conduct marriages seven (7) days per week, based on availability.
- Services can also be conducted in the Council Chambers at City Hall, 30 Van Horne Avenue. The Council Chambers are only available during the hours of 8:30 a.m. to 4:00 p.m., Monday to Friday subject to availability. However, ceremonies at other locations can be held seven (7) days a week. It is recommended that a request for civil marriage ceremony be received a minimum of seven (7) days prior to the date of the ceremony. Applicants are required to complete the Civil Marriage Booking Agreement and pay the appropriate fee before proceeding with the service. Every attempt will be made to accommodate same day service however this will be dependent upon the availability of a marriage commissioner and the preferred location.
- A pre-ceremony meeting with the marriage commissioner and the couple is recommended. Please ensure that if you have specific vows to be included that you provide a written copy to the commissioner.
- Plan to arrive at least 15 minutes prior to the ceremony to allow time for review of final details.
- Alcohol or stimulants are not to be used by the applicants or their witnesses prior to or during the ceremony. If the commissioner has reason to believe that alcohol or other stimulants have been used, the ceremony will not proceed.
- Music will be permitted at certain times throughout the ceremony and is to be determined during the pre-ceremony meeting.

- It is the applicants' responsibility to provide an interpreter if they do not speak English and/or require language assistance. The interpreter cannot be one of the witnesses.
- There is no minimum age requirement for a witness, however, it is suggested they should be at least 16 years of age, as a witness should be able to understand and appreciate what is taking place and be able to give evidence of such at a later date, if required. It is the applicants' responsibility to provide the witnesses.
- The Record of Solemnization of Marriage provided at the ceremony is not a legal record. After the ceremony we suggest you apply to the Office of the Registrar General to obtain an official certificate of marriage.
- It is the applicants' responsibility to provide a table and chair for signing of documents if the wedding is not at City Hall.
