

TAKE NOTICE that pursuant to Section 34 of the Planning Act, R.S.O. 1990, c. P.13, as amended, the Council of the Corporation of the City of Dryden will hold a second Public Meeting for the purpose of giving the public an opportunity to make representations in respect of the proposed Zoning By-law Amendment to Comprehensive Zoning By-law No. 2025-10.

The meeting will be held in-person in the Council Chambers and virtually through Microsoft Teams by the Corporation of the City of Dryden Council on Monday, June 22, 2026, at 5:00 p.m.

THE LOCATION of the lands affected by the proposed amendment are municipally known as 185 Grand Trunk Avenue, legally described as PLAN M157 LOTS 707 TO 709 & 899 PCL 8816. The subject property is shown on the key map included with this Notice.

THE PURPOSE AND EFFECT of this Zoning By-law Amendment is to permit a site-specific Animal Care Establishment use to allow for pet boarding within a proposed new building on the property at 185 Grand Trunk Avenue. Currently, the Highway Commercial (CH) zone permits only Animal Hospital use (veterinary clinic), however, this use does not include pet boarding.

The applicant is proposing to construct a new two-storey building. The pet boarding facility would be located entirely indoors on the ground floor, with no outdoor enclosures or runs proposed. The second floor of the building is planned to contain a residential apartment. The building itself has not yet been approved, and detailed plans will be reviewed through the City's planning and building approval processes.

This proposal does not introduce a new pet boarding operation to the area but instead relocates an existing pet boarding facility currently operating at Hillcrest Animal Clinic (195 Grand Trunk Avenue). If approved, pet boarding activities would move to 185 Grand Trunk Avenue, and the existing site at 195 Grand Trunk Avenue would continue to operate as a veterinary clinic only.

PLEASE TAKE FURTHER NOTICE that Council previously held the Statutory Public Meeting for this application on Monday, April 13, 2026. At that meeting, Council received submissions regarding the application and requested the submission of a noise study and additional information respecting noise mitigation.

The applicant has now submitted a noise study in support of the application. The purpose of this second Public Meeting is to provide the public with an opportunity to review and comment on the noise study and the proposed noise mitigation measures submitted prior to Council consideration and decision.

COPIES of the proposed amendment material, the noise study, and additional information relating to the proposed Zoning By-law Amendment are available for review at the City's Building and Planning Department, 30 Van Horne Avenue, during regular office hours. **Questions relating to the application should be directed to Matthew Bagshaw, Planner.**

PLEASE NOTE: If you wish to provide comments on the application, please do so in writing to the City Clerk in advance of the Public Hearing. You may also provide verbal comments by calling the following number and leaving a voicemail message: 807-223-2225 ext. 521. Voicemails received at least 24 hours before the hearing will be transcribed and read at the Public Hearing. **Further, if you wish to participate in the Public Hearing, please contact Allyson Euler, City Clerk to receive instructions.**

If you wish to be notified of the decision of the City of Dryden on the proposed Zoning By-law Amendment, you must make a written request to Allyson Euler, City Clerk.

If a person or public body would otherwise have an ability to appeal the decision of the City of Dryden to the Ontario Land Tribunal but the person or public body does not make oral submissions at a Public Meeting or make written submissions to the City of Dryden before the By-law is passed, the person or public body is not entitled to appeal the decision.

If a person or public body does not make oral submissions at a Public Meeting or make written submissions to the City of Dryden before the By-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.

PLEASE NOTE that one of the purposes of the Planning Act is to provide for planning processes that are open, accessible, timely and efficient. Accordingly, all written submissions, documents, correspondences, e-mails or other communications (including your name and address) form part of the public record and will be disclosed or made available by the City of Dryden to such persons as the City of Dryden deems appropriate, including anyone requesting such information. Accordingly, in providing such information, you shall be deemed to have consented to its use and disclosure as part of the planning process.

DATED AT THE CITY OF DRYDEN THIS 15TH DAY OF MAY, 2026.

Allyson Euler, City Clerk
30 Van Horne Avenue
Dryden, Ontario P8N 2A7
